

Lake Ontario 300 - Skippers Plan Team Challenge

The team that has the best corrected-time finishes determines the winner of the "Skippers Plan Team Challenge". There will be a keeper trophy awarded to the winners of the Spinnaker and White Sail division to keep at their host club. Boats on the winning teams for both the Spinnaker and White sail divisions will receive a keeper plaque for their boats.

Below is the disbursement of the funds that will be sent to support Junior Learn to sail programs at the participating clubs on behalf of Skippers Plan and the Lake Ontario 300. It is based on a predetermined formula that rewards clubs based on their performance.

This inaugural event was a great success and was enjoyed by every one involved. Special thanks are extended to Andrew Robertson of Robertson Robertson Insurance for the support and commitment to Junior sailing and the Lake Ontario 300.
